

Ready2Go 2.0.0 Installation Instructions

STEP 1 - Install Ready2Go

1. Open the file: **Ready2Go_2.0.0_x64-setup.exe**
2. If Windows asks if you want to allow the installer to make changes to your computer, click **YES**.

STEP 2 - If Windows Shows a Security Warning

Because Ready2Go is installed directly and not through the Microsoft Store, Windows may show:

Windows protected your PC

If you see this message:

1. Click **More info**
 2. Click **Run anyway**
- Ready2Go will then continue installing.

STEP 3 - Open Ready2Go

1. Open **Ready2Go**
2. The **Activation Required** screen will appear
3. Your computer will show a **Device Code**

STEP 4 - Get Your Ready2Go Licence

Send your **Device Code** to: whitecar33@gmail.com

You will receive a licence key created for your computer.

STEP 5 - Activate Ready2Go

1. Enter the licence key you received
2. Click the activation button
3. Ready2Go will open

Your licence is stored on your computer. You normally do **not** need to enter it again when Ready2Go is updated or reinstalled.

Installation Complete

Ready2Go is now ready to use.

Important: Ready2Go is designed to run tournaments without an Internet connection. Internet access is not required during normal tournament operation.

Need Help?

If you have trouble installing or activating Ready2Go, email whitecar33@gmail.com and include a photo or screenshot of the message you are seeing.
